STOP

DROP

ROLL

Why Do We **STOP**, **DROP**, and **ROLL**?

If your clothes ever catch on fire:

STOP so the flames don't grow

DROP to the ground to protect your face

ROLL back and forth to smother the fire and make it go out.

These steps help keep you safe until a grown-up can help!

Smokey, Beepy and Chirpy

Save the Day!

One sunny morning, Smokey the Fire Safety Bear was visiting a cozy little house to teach everyone how to stay safe. On the ceiling lived two best friends—Beepy and Chirpy, the smoke alarms. They loved to keep watch and were always ready to help. Suddenly, **BEEP! BEEP! BEEP!**

“It’s us!” said Beepy. “We smell smoke!”

Chirpy chimed in, “That means it’s time to be fire smart!”

Smokey nodded and said, “Great job, alarms! Friends, remember—if you ever see fire or smoke, get outside and tell a grown-up.” Then Smokey showed them something extra important. “If your clothes ever catch fire, remember my three magic words: **STOP, DROP,** and **ROLL!**”

The kids practiced stopping, dropping to the ground, and rolling back and forth, laughing as Smokey cheered them on. Soon the smoke was gone, and Beepy and Chirpy were quiet again.

“Fire safety teamwork!” Smokey smiled.

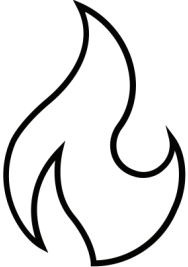

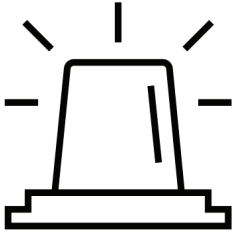

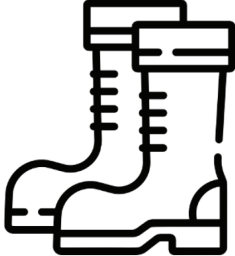

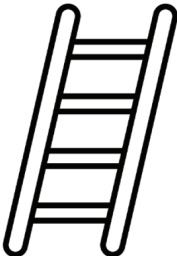

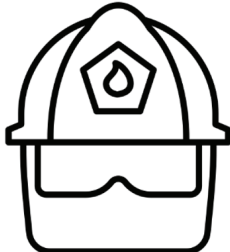

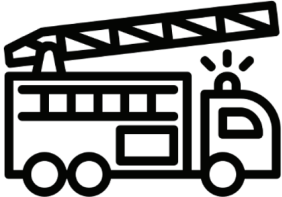

“And remember,” said Beepy and Chirpy together,

“We’re always listening to keep you safe!”

Remember to test your smoke alarms at least once a month!

Crawl low under smoke.

Smokey's Evacuation Tips

Always check the door handle with the BACK of your hand before leaving the room.

If the door handle is hot, do NOT open it! Pack under the door with pillows and blankets, to stop the smoke coming underneath.

Get Out.

Stay Out.
