

# FIRE SAFETY ENFORCEMENT LOGIC

Compliance Level	Description	Initial Enforcement Expectation
	<ul style="list-style-type: none"> <li>• Dangerous conditions resulting in serious risk to persons in case of fire</li> </ul>	Prohibition and probable Prosecution) OR Enforcement Notice (and possible Prosecution)
	<ul style="list-style-type: none"> <li>• Generally workplace risk rating very high/high</li> <li>• Serious deficiencies that require structural alterations</li> <li>• Requirement for comprehensive major systems</li> <li>• Poor management with numerous high/medium contravention's of fire safety legislation.</li> <li>• Disregard for fire safety issues with bad housekeeping and no risk assessment or records of training or testing.</li> <li>• Following a fire where greater emphasis is required to address deficiencies</li> <li>• History of previous enforcement or informal action</li> </ul>	Enforcement Notice (and possible Prosecution) OR Action Plan
	<ul style="list-style-type: none"> <li>• Generally workplace risk rating medium</li> <li>• Numerous low level deficiencies possibly with history of other minor issues</li> <li>• Poor management evident and inspector has lack of confidence that matters will be adequately addressed</li> <li>• History of previous enforcement or informal action.</li> <li>• Consider referral to CFS if appropriate</li> </ul>	Enforcement Notice OR Action Plan OR Fire Safety Matters (2)
	<ul style="list-style-type: none"> <li>• Generally workplace risk rating low</li> <li>• Several low level deficiencies but without a previous history. Inspector has confidence in the overall management of the workplace that matters will be adequately addressed.</li> <li>• Consider referral to CFS if appropriate</li> </ul>	Fire Safety Matters
	<ul style="list-style-type: none"> <li>• Generally workplace risk rating low/very low or those premises in multi-occupied buildings not selected for a sample audit</li> <li>• Possibly no Risk Assessment carried out/recorded but building generally satisfactory in all other respects</li> <li>• Only very low level deficiencies. Approach to include verbal advice/agreement and information (inspector to record any advice given)</li> <li>• Any situation where workplaces comply with the order but where additional measures would reduce the risk category</li> <li>• Consider referral to CFS if appropriate.</li> </ul> <p>NO FOLLOW UP REQUIRED</p>	Fire Safety Matters (1) OR Reasonable Standard
